

School News**Nolan Foster makes "Music on Half Days"**

Bianca Jimenez

In past years at CPHS, students may have known senior Nolan Foster as an athlete, but most recently, his recognition has changed as Foster begins to put out his own rap music. Foster has been making music for most of his life, as he had always been interested in the way words work together to create a musical verse.

"My ideas for music come from the experiences that happen not only in my life, but other's too," Foster said...

Robolobo Success

Miranda Campbell

The Cedar Park robotics team recently created a robot that was entered into the FRC Robotics competition in San Antonio in February. Students in the robotics club built the robot over a six week period beginning in early January. The robots built across the district were constructed according to the game they would play. This year's competition was the "Aerial Assist" game that involved gameplay with a 24 inch diameter exercise ball rotating in a volleyball game type fashion. Overall, the team won the Rookie All-Star award and the highest Rookie Seed award...
